

HSBC Canberra Branch is closing

More of our customers are choosing to bank digitally – via our Mobile Banking app, Online Banking, or over the phone.

Because of these changes, we've made the difficult decision to close our HSBC Canberra Branch and its ATM at:

Canberra Branch

Ground Floor,
28/36 Ainslie Ave, Canberra,
ACT, 2600

Our last day of trading at this site will be **Tuesday, 14 October 2025**.

We understand this may be a change to the way you currently do your banking with us and our team is here to help you through this transition.

Why we made this decision

With the growing popularity of digital banking, many of our customers are enjoying the flexibility to bank whenever and wherever they want. As a result, we've noticed fewer visits and transactions at our Canberra Branch.

To give you a bit more context to our decision, here's how our HSBC Canberra customers are choosing to bank:

89% of customers who use this branch are **registered for digital banking**.

A daily average of **46 in branch transactions per day**, which is 37% under our branch network average daily transactions.
